What would you like to be when you grow up? A famous singer like the fox, or an astronaut like the rabbit? Or perhaps a scuba diver? You have to be careful with such dreams, though! Thank goodness the mouse was nearby and quickly helped the fledgling back to the shore.

In fact, the mouse dreams of becoming a superhero! She wants to be useful and help other animals.

What profession could the mouse choose?

The goat got distracted for a while and suddenly **a fire broke out** in her house! It's important to keep calm. What is the right phone number?

What do firefighters carry with them?

Gloves

Axe

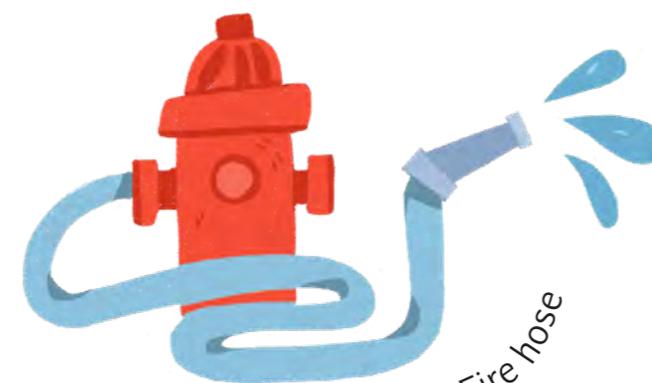

Helmet

Fire extinguisher

Fire hose

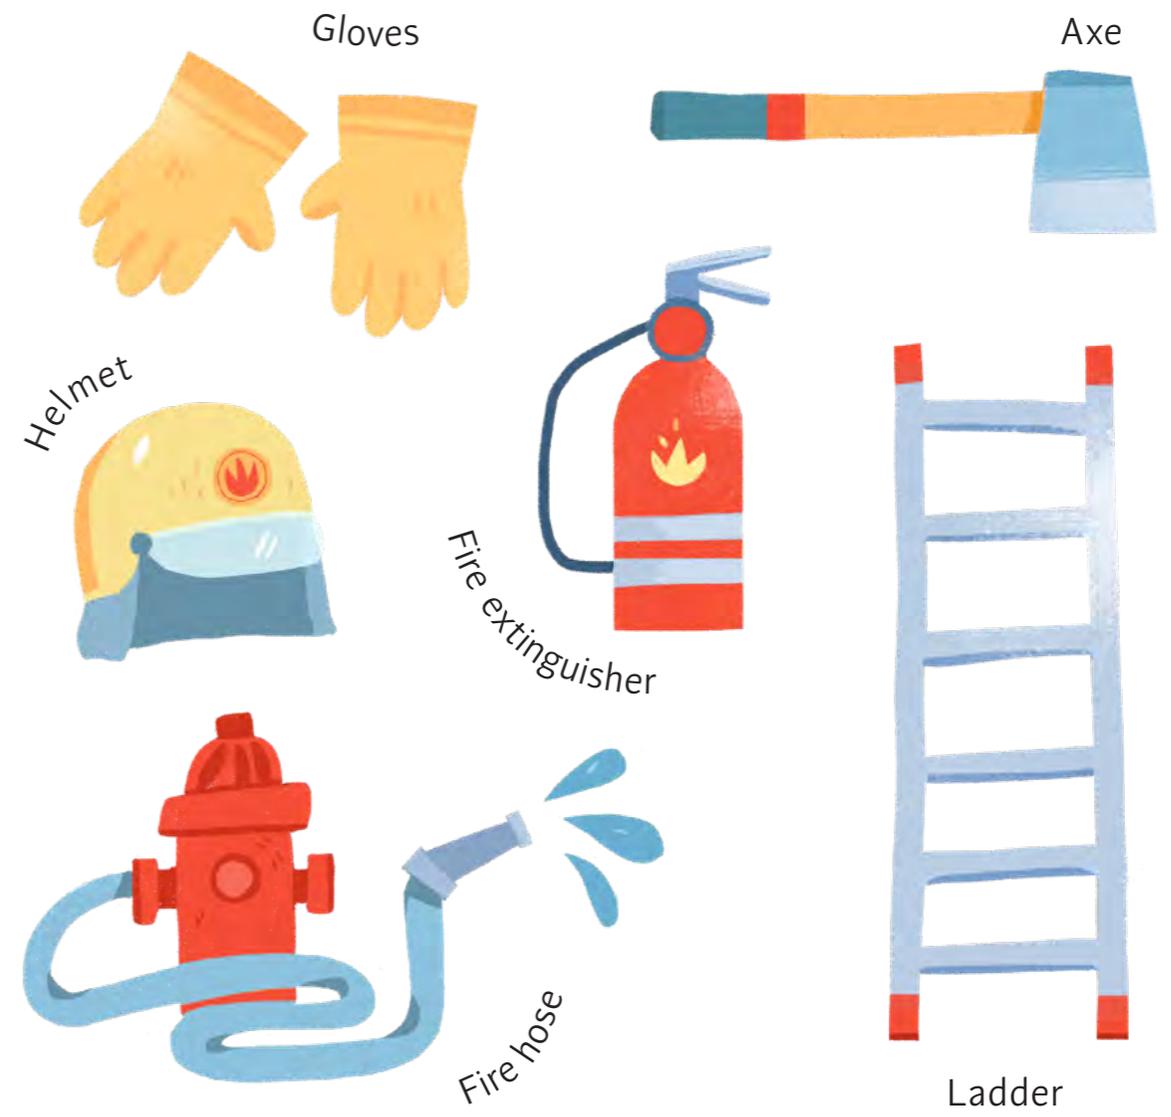

Ladder

The goat got distracted for a while and suddenly **a fire broke out** in her house! It's important to keep calm. What is the right phone number?

The mouse remembers it well. She called **the firefighters**. They arrived in no time. These chaps know how to deal with fires.

What do firefighters carry with them?

What does one do when there's been an accident?
The mouse has figured it out and you can now explore
all the diverse emergency professions together.

The mouse has a big dream – she wants to become
a superhero to help others and make the world around
her a better place. She has learnt that you don't need
supernatural abilities, though.

**Do you know who fights fire at work? Who can find
injured people in snow? And who do all the drivers on the
road need to listen to? You are going to learn about the
rescue workers and the equipment they have to carry.**
