Our first day at work ...

What should we put on?

We must get it right!

Flight attendant

Ballerina

Chimneysweep

Firefighter

Gardener

Arctic explorer

Sailor

Conductor

Doctor

Chef

Goalkeeper

Car-wash attendant

Office worker

Every day I dance around a hotplate, stir things with a wooden spoon, prick things with a fork ...

I hope he doesn't burn it!

Oh dear... I'm not sure that a tutu will fit the bill. What would you advise me to wear?

Chef

chef's hat

bandanna

white gloves

black-and-white checked trousers

black jacket with two rows of buttons

oven mitts

wooden spoon

book of family recipes

white jacket with two rows of buttons

large pot

slip-on shoes

chef's apron

neatly folded napkin

tea towel

ladle

sharp knife

rolling pin

tasting spoon

bowl of ingredients

pasta tongs

chopping board

fried-egg pan

I tiptoe through the tulips to the song of nightingales ...

Watch where you're stepping!

Help! I'm sinking! But these are the highest shoes I could get. Are they wrong for the garden?

I've got terrible stage fright! But at least I'm still wearing my comfy jumpsuit ...

Conductor

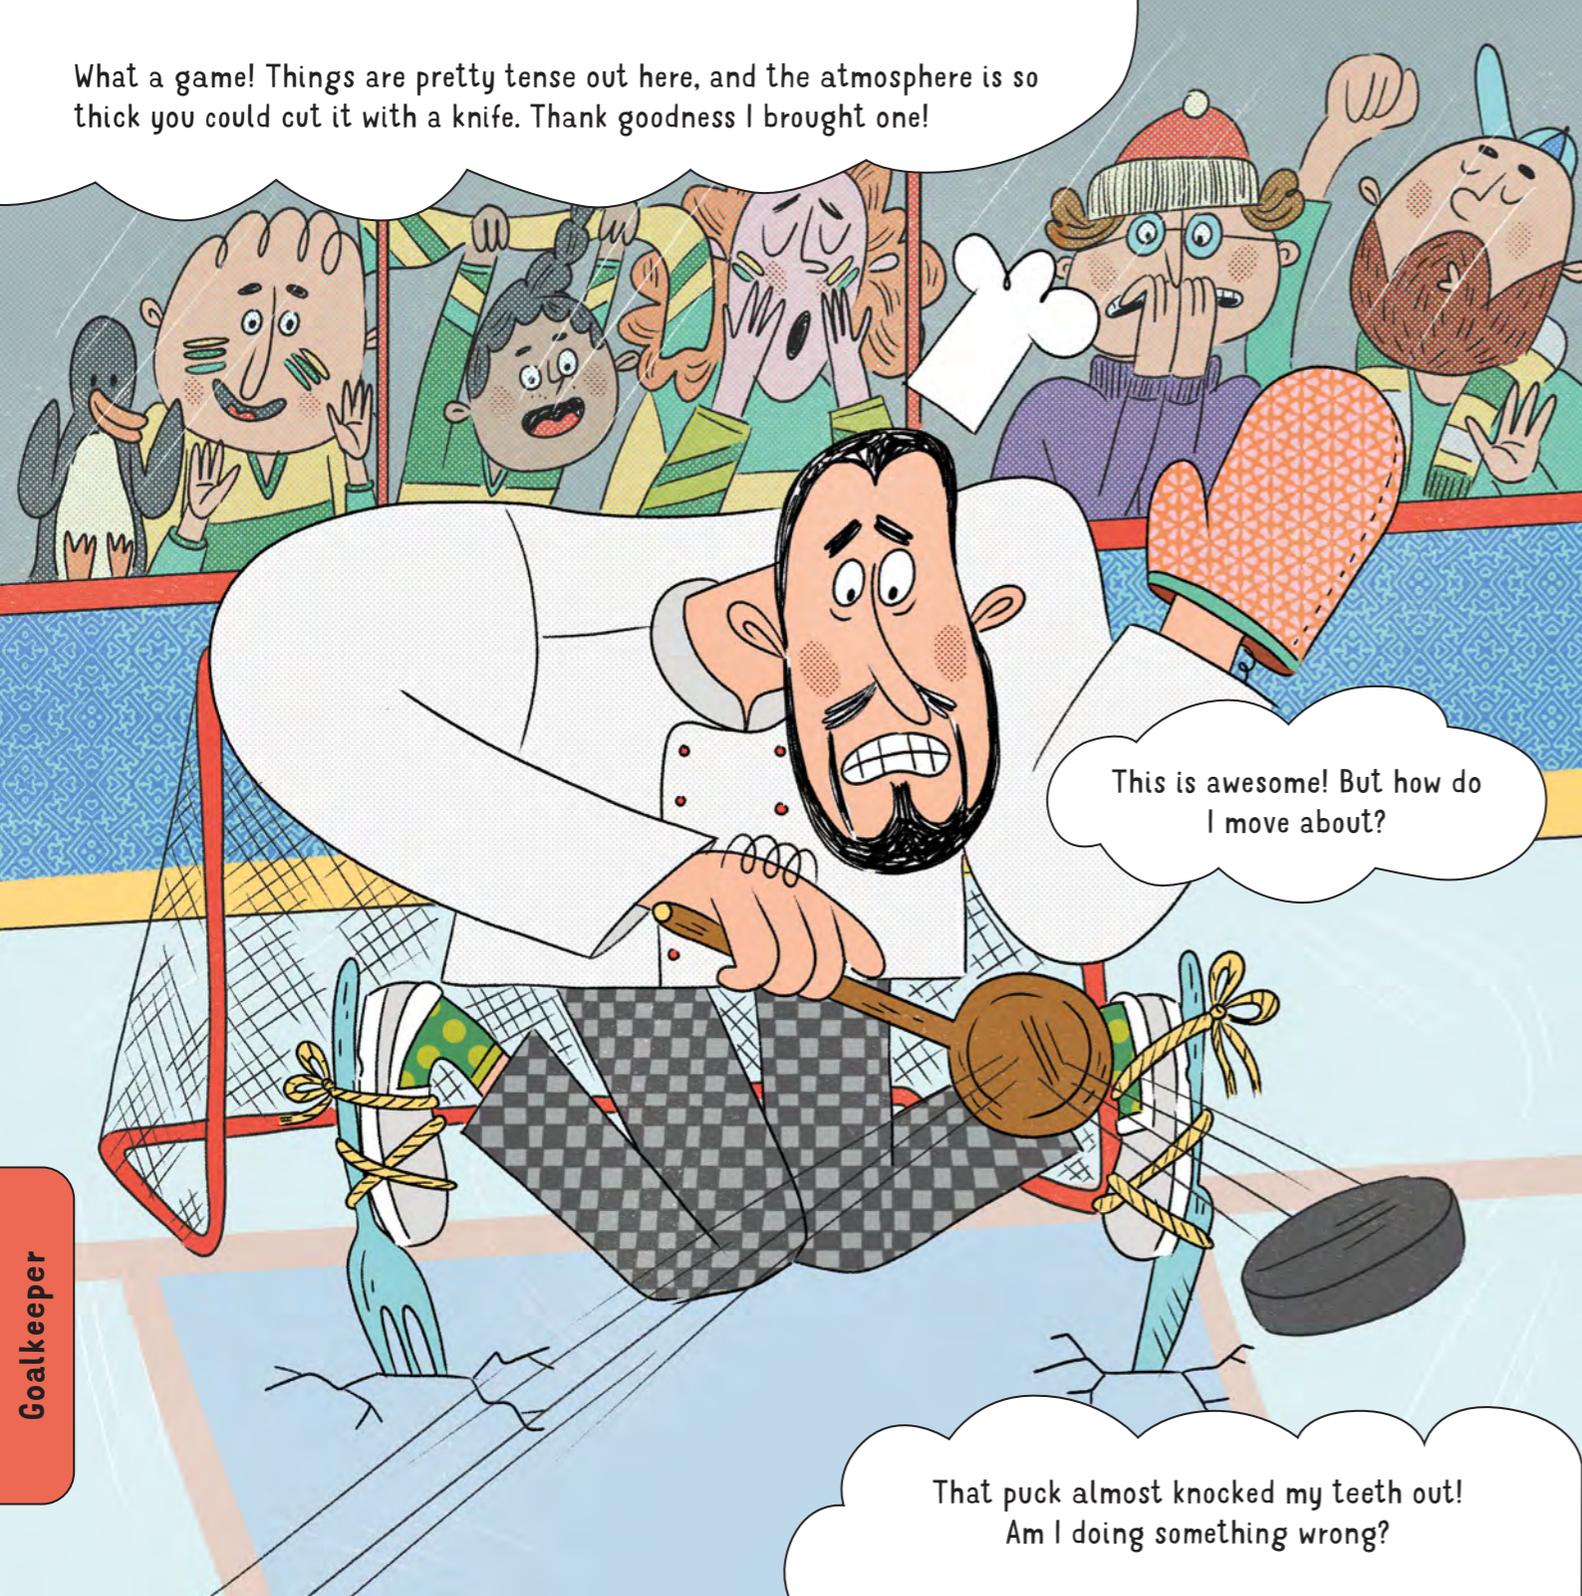

Am I in the right place?

The audience looks horrified ... But why? Don't these rabbit slippers suit me? Maybe I should get changed. But into what?

What a game! Things are pretty tense out here, and the atmosphere is so thick you could cut it with a knife. Thank goodness I brought one!

This is awesome! But how do I move about?

That puck almost knocked my teeth out!
Am I doing something wrong?

Goalkeeper
