THINGS THAT GO

Albatros

READ & LEARN

Today is the first time that Lucas and his sister, Amy, are going to school on their own. Luckily the bus stops right outside the school, so they can't get lost. Mom goes with them to the bus stop. After school they are to get the same bus back, and Mom is going to meet them again.

Can you spot...

- A lorry
- 4 traffic lights
- A blue wheelchair

After school Amy is late getting to the bus stop.
Lucas is cross as they have missed the bus, and there isn't another one for two hours!
'So, let's just take the tram to the subway station, and then it's only a few stops and about five minutes walk' says Amy cheerfully.

'Come on, it's going to be an adventure' she adds when Lucas looks worried.
'But Mom said we needed to take the bus' says Lucas. 'Well, Mom will praise us when she finds out how we made it home by ourselves' says Amy.
'OK then' says Lucas reluctantly.

Can you spot...   

Amy remembers they have to get tram number 7. Once on board she sees that she can get a ticket using her phone. She is very pleased when she manages to do this. 'We have a 90 minute ride Lucas, that's ages' she says happily.

'Oh! Look Lucas, it's a subway sign, we have to get off here' says Amy, hopping off. 'Come on Lucas!'

Can you spot...

- A dog
- 1 sign
- An orange backpack

An orange backpack

‘I don’t like the subway’ moans Lucas ‘it’s too far underground, and windy and dark’. ‘The lights are on Lucas’ points out Amy kindly. ‘Come on, now all we have to do is go to the last stop and we’re home’ she adds confidently.

‘But the subway line runs in two directions’ says Lucas. ‘I remember when Dad and I did it, it’s right here’ replies Amy. ‘Quick, Lucas’ she says pushing the button to open the train door, ‘jump on!’.

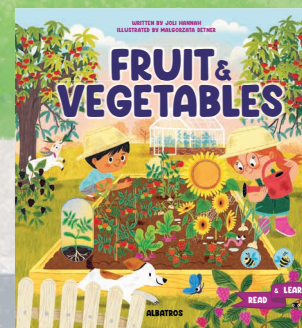

Can you spot...  A clock  3 benches  A grey bin

THINGS THAT GO

Read & Learn books are fun, educational stories that will keep children entertained as they learn. Beautifully illustrated, full of facts and information, these books also feature fun things to spot on every page, whilst learning about color and numbers. In this story we follow the adventures of brother and sister Lucas and Amy who miss the bus home from school! So, they decide to try and get home on their own, using various forms of transport. But as they have never done it before, it's not that simple!

Will they find their way home? Make learning fun!
